WTF JUST HAPPENED?

THE BASICS:

- 2 x 30 minute periods
- Maximum 2 minute play = a “jam”
- 30 seconds between jams
- 3 timeouts per team
- 1 penalty = 30 seconds in the box
- 7 trips to the box = expulsion

HOW'S THE ROLLERBLADING GOING?

Roller Derby is played on 8 wheels
AKA quads AKA roller skates!

1. JAM START

Each team sends out up to 5 skaters:
1 Jammer, and 4 Blockers (including
a Pivot). Whistle starts the Jam!

2. FIRST PASS

The first Jammer to
legally pass through the
Pack is awarded Lead
Jammer, and can “call
off” the Jam by tapping
their hands on their hips.

3. SCORING POINTS

Jammers begin
scoring points on their
second pass through
the pack. They score
one point every time
they lap a blocker,
including those stuck
in the penalty box.

THE PACK:

The pack is made up of the largest group of blockers from each team.

JAMMER

The Jammer is the skater in possession of the Jammer helmet cover (a.k.a. “The Star”). The Jammer is the only skater who can score points for their team.

BLOCKERS

Blockers assist and protect their Jammer, and impede the opposing Jammer.

PIVOT

The Pivot is a Blocker, in possession of the Pivot helmet cover (a.k.a. “The Stripe”). The Pivot may become their team’s Jammer with a “Star Pass”.

PASSING THE STAR:

The Jammer may transfer the Star to their team’s Pivot. The Pivot is now the Jammer and can score points, but they cannot call off the jam.

STILL HAVE QUESTIONS?

Ask a skater
(who’s NOT on the track!)

BUT WHERE'S THE BALL?!

Essentially the Jammer is the ball — following their progress is the easiest way to watch. But be warned, you WILL go to the box if you kick them ;)

Some other contact penalties you may see include low block (no tripping!), forearms (no elbows!), back block or blocking with the head.

THANK YOU!
